Introduction

Porrelli was established by Gerardo Porrelli in 1925 when he immigrated to Scotland from San Biagio in Southern Italy. He settled in Paisley with his family and began to produce delicious ice cream using traditional recipes brought from his homeland.

Celebrating 100 years, Porrelli is still very much a family business. The current Managing Director, Dario Durante, is the great grandson of the founder Gerardo and is supported by his parents, Enzo and Ines. Together they lead a very passionate team that is committed to delivering quality and service that has seen generations of people across Scotland enjoy Porrelli Ice Cream.

It is this secret family recipe that have been handed down through the family over the years that has helped Porrelli to win numerous industry awards. And these in turn have helped to establish the brand as being trusted and respected for its quality throughout the catering trade, frozen wholesalers, cash & carries and multiple retailers including JS Sainsbury's and Asda.

Porrelli have a fleet of refrigerated vehicles that travel across the Central Belt of Scotland, delivering a diverse and delicious range of ice creams, premium Italian gateaux, frozen desserts, sundries and savoury food products to the catering market.
